The Boston Artist Show

Presented by JordanaSoliel & Ant Thomas

Dear Artist,

Who Loves You Photography and *Thomas Entertainment* invite you to participate in #iSupport – The Boston Artist Show which will be held on March 27th, 2014 from 7-10pm. We are extending this invitation to over 20 artists, designers and business owners around Boston. We anticipate a very successful event.

We live in a city where our independent artists and small businesses tend to get overlooked and under supported on various levels. It is up to us to support and encourage one another to reach for the sky and live amongst the stars. We believe in the art, expression, and culture our city has to offer. Therefore we put together an Art Show to give independent artists & company owners like yourself a platform to show the people what you got! This is our invitation for you to be included in the #iSupport Boston Art Show!

Our mission is to encourage and support YOU - the artist, by giving you a platform to share the experience of your hard work, creativity, and dedication with the people of the community, in hopes that the people of the community encourage and support you back. It is our goal to allow people to learn of your work and create a positive environment for you to gain loyal consumers. We are creating an upscale market place for all artists and their supporters. We would love for your brand or business to participate in our showcase.

Our venue is also a hidden gem in the city. #iSupport will be held inside of the Storyville which is located at 90 Exeter Street, Boston, MA 02116. We believe this location will be able to truly represent us and impress our current and future supporters. Our supporters will be offered food and one drink with a \$20 ticket purchase. There will also be a cash bar for more drinks with choices including wine, beer, liquor and soda.

A percentage of the proceeds from this event will be reinvested in our community through Better Opportunities, Inc. (BO), as well as support a second edition of #iSupport, #iSupport2.

#iSupport2 is an Art Show for Youth and Young Adults that will be held during Boston Public School's April Vacation. The top artists from the #iSupport Art Show will be offered a stipend to teach at the Art Show Preparation Week, for the #iSupport2 Art Show for Youth and Young Adults of Boston!

Better Opportunities, Inc. (BO) is a developing local nonprofit that encourages principles of support, individuality, love, and knowledge. For more information about BO please visit www.Live4BO.com.
